4. Think about the difference between choosing to serve and choosing to be a servant. What distinguishes one from the other?
5. Is financial giving truly service? Why or why not?
6. According to 1 Peter 4:10, we are to use our gifts to serve others. Share with the group one God-given gift you have that you could use in humble service (hint: think of something you really enjoy doing and that you have received affirming feedback).
7. John the Baptist knew that his job was to magnify Jesus and humble himself. When is it most difficult for you to make Jesus greater in your life – even if that means making yourself less?

8. Name one person you know that you'll try to humbly serve in the next week. As a group, brainstorm some ideas of ways to better serve others.
